Acme Corp RFP Response - Q1 2025

Enterprise Support SLA
Our standard SLA for enterprise support is 99.9% uptime, with a 1-hour response time for Priority 1 incidents and a 4-hour response time for Priority 2 incidents. Named Customer Success Managers are included for all deals of 200 seats or more.

Security certifications
We hold SOC 2 Type II, ISO 27001, and HIPAA attestations. Penetration tests are performed annually by an independent firm.
